Re: Proof of Residence

Here is a list of what we are currently accepting as proof of residency. It has changed slightly from our last list of acceptable documents. If you have any questions regarding the lists, please our office.

Acceptable Proof of Residency:

- Property Tax Bills
- Deed, Lease, Contract of Sale or Mortgage
- Letters from Landlords and other evidence of property ownership/tenancy/residency
- Utility Bills for the stated address in same person's name
- Delivery Receipts and/or evidence of personal attachment to a location(secondary proof may be required)
- Court Documents or State Agency Placements
- Voter Registration

Please remember that we can ask for multiple forms of proof if we feel there is any question about the residency. Also, drivers' licenses are not proof of residency. If you, or a parent, have any questions please call me.

CHILD FAMILY CENTER
Nurse Health Registration Form

Dear Parent Guardian:

The school nurse's office is open from 8:00 am to 5:00 pm daily. The health services provided for all students are: Height, Weight, Dental, Hearing, Vision and Blood Pressure Screenings.

The non-prescription medications which are available to all students with approval of the school physician are: Chloraseptic throat spray, Anbesol, Vaseline, Sting Kill, 0.5% hydrocortisone ointment, eye wash, sterile saline, Polysporin ointment and burn gel.

If your child requires prescription or non-prescription medication on a regular basis, you must obtain a written order from your child's physician on the school medication administration form and you will need to supply the medication and sign the form giving the school nurse permission to give the medication.

Please complete the questionnaire on the back and return it to the school nurse so we can update your child's health records. This information will be shared with your child's teacher, administration, and other staff on a need to know basis unless a written note is received from you requesting it be kept confidential.

If you have any questions regarding the health services provided, please call us at 856-293-2178/2177. We look forward to this school year and hope we can be of help to you and your child.

Sincerely,

Karen Chamenko, RN, BA, CSN
Jeanne Reed, RN, BSN

ANNOUNCING
THE NEW JERSEY IMMUNIZATION INFORMATION SYSTEM (NJIIS)

To New Jersey Parents and Guardians:

In order to attend any licensed day care, preschool, public, parochial or private school in New Jersey, your child must meet state mandated immunization requirements. A record of these immunizations, supplied by your healthcare provider, is maintained by the school on a state approved form (A45). This record is essential for admission to any new school to which your child transfers, for entrance into high school and for college entrance. The New Jersey Immunization Information System (NJIIS) has been developed to provide a confidential population-based electronic database that collects and stores vaccination data for New Jersey residents. This registry is already in use at more than 400 sites throughout New Jersey, with more than 600,000 patient records currently in the system. The immunization Information System is the first step in creating electronic health records for New Jersey school students.

New Jersey public schools are assisting in this project by inputting data from the student's Immunization Record. Participation in this program is free and will provide you with a permanent record of your child's immunizations, as well as reminders of the need for any additional doses. It will exist for your child long after graduation when immunization records may be needed for foreign travel or other situations. It will be available to you for summer camp requirements and should you change healthcare providers.

Your child's immunization record is confidential. It is available only to you, the Health Department and its related service agencies (your child's school) and the health provider(s) you choose. If you change providers, only the new provider will be able to send you reminders.

To enroll in the system, simply sign the consent form on the back of this letter and return it to your child's school nurse within seven days.

If you have any questions, you may call your child's school nurse.

We hope that you will take advantage of this opportunity to promote the well being of your child.

PLEASE COMPLETE THE REVERSE SIDE OF THIS SHEET AND RETURN IT TO YOUR CHILD'S SCHOOL NURSE!
